

AIR 1 serves me as a resident in my local community by providing quality family programming which is in short supply. If Air 1 were to be displaced by an LPFM broadcaster providing other programming I would be greatly concerned as it would be likely that the new programming would not be family friendly. The service provided by Air 1 is in the public interest as it provides appropriate broadcasting for families with children of all ages. I believe it would be a great dis-service were Air 1 to be displaced.
